Experiment 8: Public Land Mobile Network (PLMN) Infographic in Figma

Aim: To create an infographic in Figma explaining the concept of Public Land Mobile Network (PLMN).

Procedure:

1. Open Figma and create a new design file.
2. Create a frame with an attractive background.
3. Add the title “Public Land Mobile Network (PLMN).”
4. Draw components such as Mobile Station, Base Transceiver Station (BTS), Base Station Controller (BSC), and Mobile Switching Centre (MSC).
5. Connect the components using arrows to illustrate network communication.
6. Add short descriptions of each component and explain the purpose of PLMN.
7. Use suitable colors, icons, and headings to make the infographic informative.

Output:

Result: An infographic explaining the concept and components of a Public Land Mobile Network was successfully created using Figma.
